Acceptable use policy

My Query Japan aims to be a community for engineers working or wishing to work in Japan. Please respect the following rules to make this website a safe and cooperative environment for everyone.

What to do

For all users to understand your posts, please write your questions and answers in English.

Choose the right categories for your questions to have better chances to get relevant answers from other members. As you cannot edit or delete your posts, please double check before submitting.

Keep your question short and easy to understand.

Be polite and respectful to other members!

What not to do

Do not post anything illegal, vulgar, sexually suggestive, that encourages violence, racism or any form of discrimination.

Do not post anything that contains personal or confidential information, propaganda, or spam.

Do not post anything that violates intellectual property rights according to the Digital Millennium Copyright Act (DMCA) or any content that violates copyright, trademark trade dress, patent, and/or trade secret rights.

Do not harass, threaten, bully or write hateful content towards any other users.

Any post violating the above rules might be removed from the website.

If you find a post that does not follow the rules, feel free to contact us through our facebook account (https://www.facebook.com/zenkenindia/)

By submitting content on this website, you grant Zenken Corporation a perpetual and royalty free license to everything you submit, which includes without limitation the right for the owners to use, copy, modify and adapt in any form any content you publish. You acknowledge that any submissions you make may be edited, removed, published by Zenken Corporation, and you waive any rights you may have in having the material altered or changed in a manner not agreeable to you.

These guidelines are subject to change at any time without notice.
